

Vehicle Repair, Retirement, Replacement for Motorists

Accelerating California Clean Air Initiatives

Consumer Eligibility Guidelines

GENERAL ELIGIBILITY

- ✓ Funding for the VRRRM Program was made possible by a grant from the reformulated Gasoline Settlement Fund created as a result of an antitrust class action with the purpose of achieving clean air or fuel efficiency benefit for California consumers.
- ✓ In order to participate in the VRRRM Program the consumer must be a member of the class. Class members are consumers who purchased gasoline in California between 1995 and August 11, 2005 during the months of April through October.
- ✓ Consumer should fully exhaust all assistance available from publicly funded vehicle repair or replacement programs for which the consumer qualifies. Consumer may review the VRRRM.org website for more information or contact a Call Center Agent at 1-800-622-7733 to help identify available publicly funded programs in the consumer's area.
- ✓ Consumer visits the VRRRM.org website or contacts the Call Center at 1-800-622-7733 to determine eligibility to participate in available VRRRM vehicle repair or vehicle replacement programs.
- ✓ Consumer completes and signs a VRRRM Application providing vehicle information and verifying that the consumer is a member of the class and meets other eligibility guidelines.
- ✓ Consumer may be:
 - an individual or
 - a small business as defined by the U.S. Small Business Administration.
- ✓ Consumer must own a vehicle that is:
 - currently registered in California, or
 - registered with California DMV as Planned Non Operational (PNO), or
 - delinquent in the California registration renewal process and not in the process of registering in California for the first time.
- ✓ Consumer must provide proof of ownership.
- ✓ Vehicle should have continuous six month registration to the same owner in California.
- ✓ Vehicle must be gasoline powered and light or medium duty with a gross vehicle weight rating (GVWR) of up to 14,000 pounds.
- ✓ Vehicles owned by federal, state, or local agencies are excluded.

VEHICLE REPAIR PROGRAM ELIGIBILITY

- ✓ Specially Constructed Vehicles (SPCNs) are excluded.
- ✓ Consumers who fail the emissions portion of their smog inspection may receive assistance of up to \$800 to fund approved emissions related repairs.
- ✓ Consumer visits the VRRRM.org website or contacts the Call Center at 1-800-622-7733 to (1) determine eligibility, (2) complete a Consumer Application and (3) be referred to a VRRRM Program Approved Gold Shield Station vehicle repair shop with a completed application.
- ✓ Vehicles may not be eligible for a manufacturer's warranty.
- ✓ Both on and off biennial smog check cycle vehicles qualify.
- ✓ Vehicle must fail the tailpipe emissions portion of the smog inspection.

VRRRM for CAP Statewide	VRRRM for PASS San Joaquin Valley Air District
<ul style="list-style-type: none"> ✓ If consumer qualified for CAP, all available funding from CAP (up to \$500) must be exhausted in order for VRRRM for CAP to fund the incremental difference. ✓ Consumer may be referred through participation in the Bureau of Automotive Repair Consumer Assistance Program or may be referred through other VRRRM Program consumer advertising and outreach efforts throughout the state of California. 	<ul style="list-style-type: none"> ✓ Vehicle must be registered within the 8 county area of the San Joaquin Valley Air District. ✓ Both on and off biennial smog check cycle vehicles qualify. ✓ Consumer may be referred from a VRRRM Program Consumer Solicitation Weekend Event or may be referred through other VRRRM Program consumer advertising and outreach efforts in the San Joaquin area.
